

TO: Board of Health

FROM: Joyce Jensen, REHS, CP-FS, Environmental Health Supervisor
Environmental Public Health Division

SUBJECT: Proposed Appointments to the Food Advisory Committee

DATE: January 3, 2014

Staff are recommending the addition of two new industry representatives to the Food Advisory Committee:

- Linda Dennis, Operations Director for Runza National, and
- Andrew Tipton, Operation Manager Southern Hospitality Ventures, Raising Cane's.

These representatives were recommended by the Nebraska Restaurant Association as replacements for Wayne Boles and Michael Messineo, both of whom represented the local food establishment industry.

Staff recommend that the Board of Health approve the appointments to the Food Advisory Committee.
